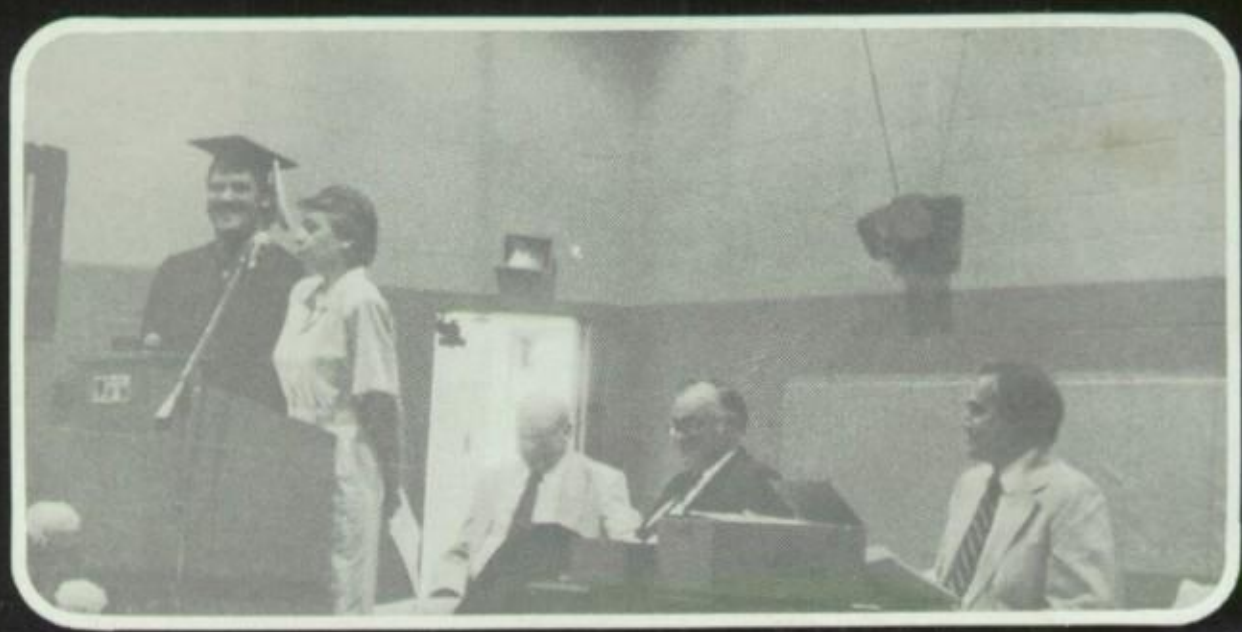
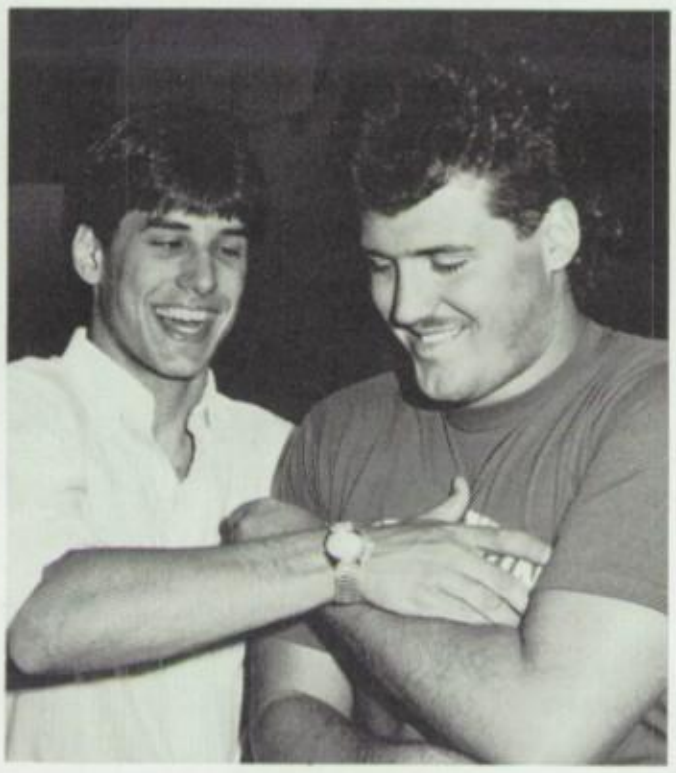
SOUTH RANGE HIGH SCHOOL
DIMENSION 1986
VOLUME 17
NORTH LIMA OHIO

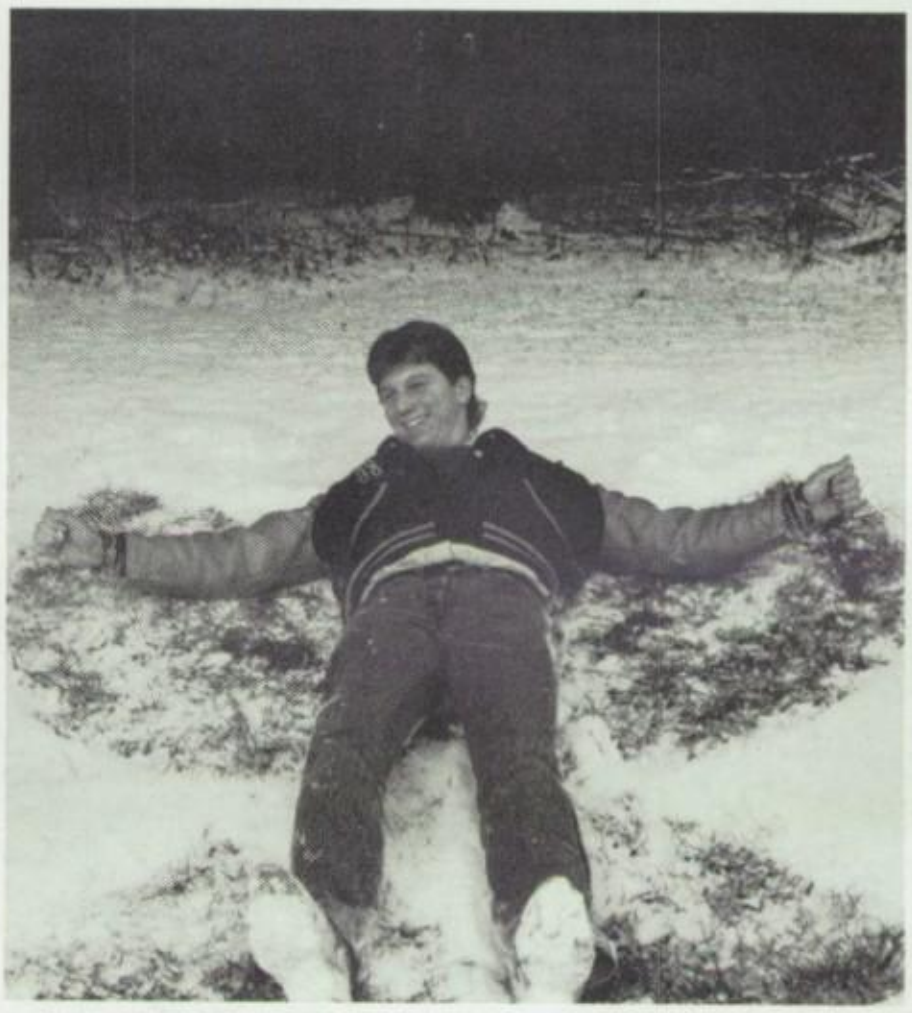
DEDICATION

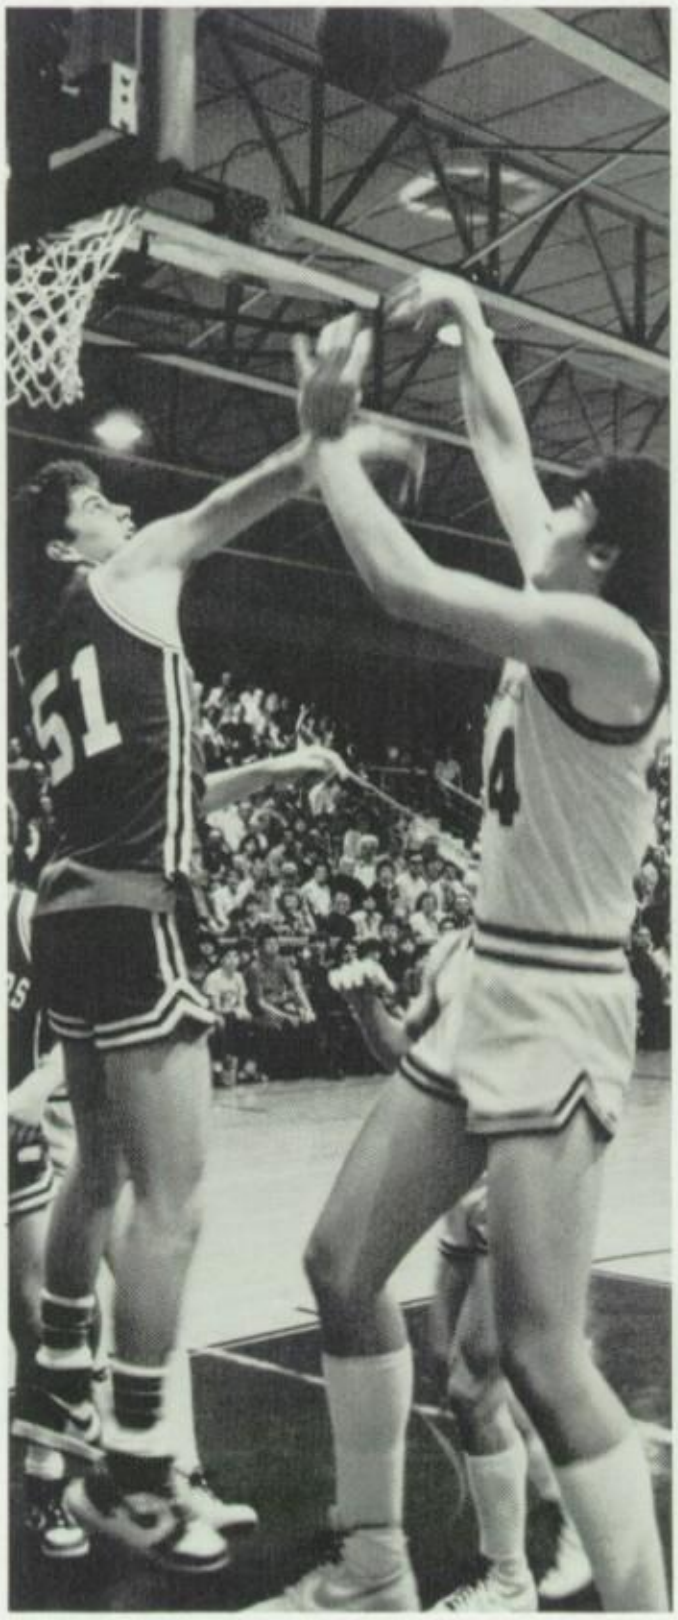
This year the Dedication of the Dimension was given to one of the finest members of the South Range faculty, Mrs. Kathy Stansbery. Mrs. Stansbery teaches French and German here at South Range. Her love of teaching is very evident in the various teaching methods she uses to keep her classes interesting. Some of the different ideas she uses are as follows: a culture experience or in other words a day set aside to eat French and German food.

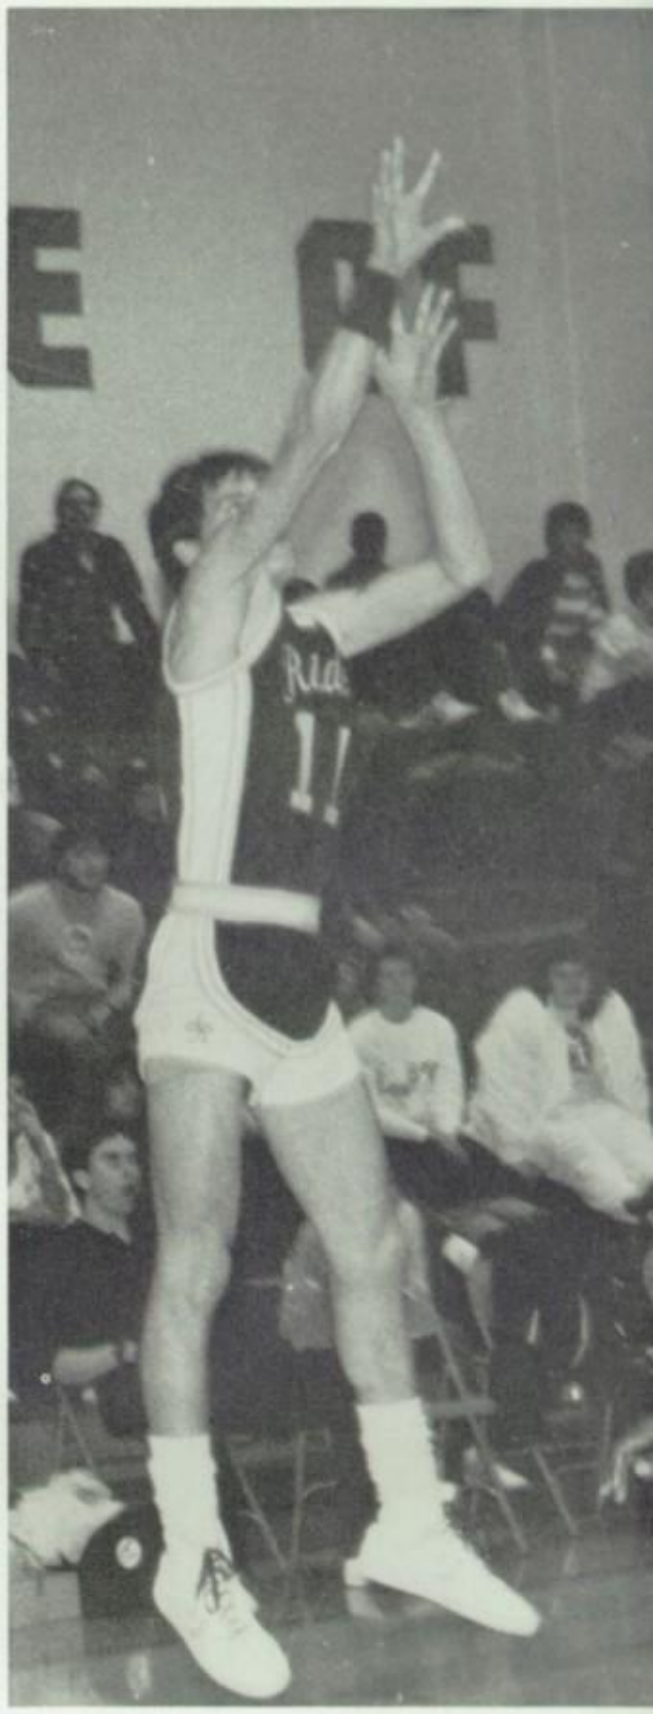
She takes her students to amusing places such as to competition at Kent State and Westminster for their language day. She also thinks up new and original events such as a French Wedding, making slide shows, and planning a 5 day vacation for assignments. Mrs. Stansbery is a loving and giving person, a fine examp- of this is that she will help any of her students in class, after class or after school. Mrs. Kathy Stansbery is surely a fine asset to the faculty and administration of South Range High.

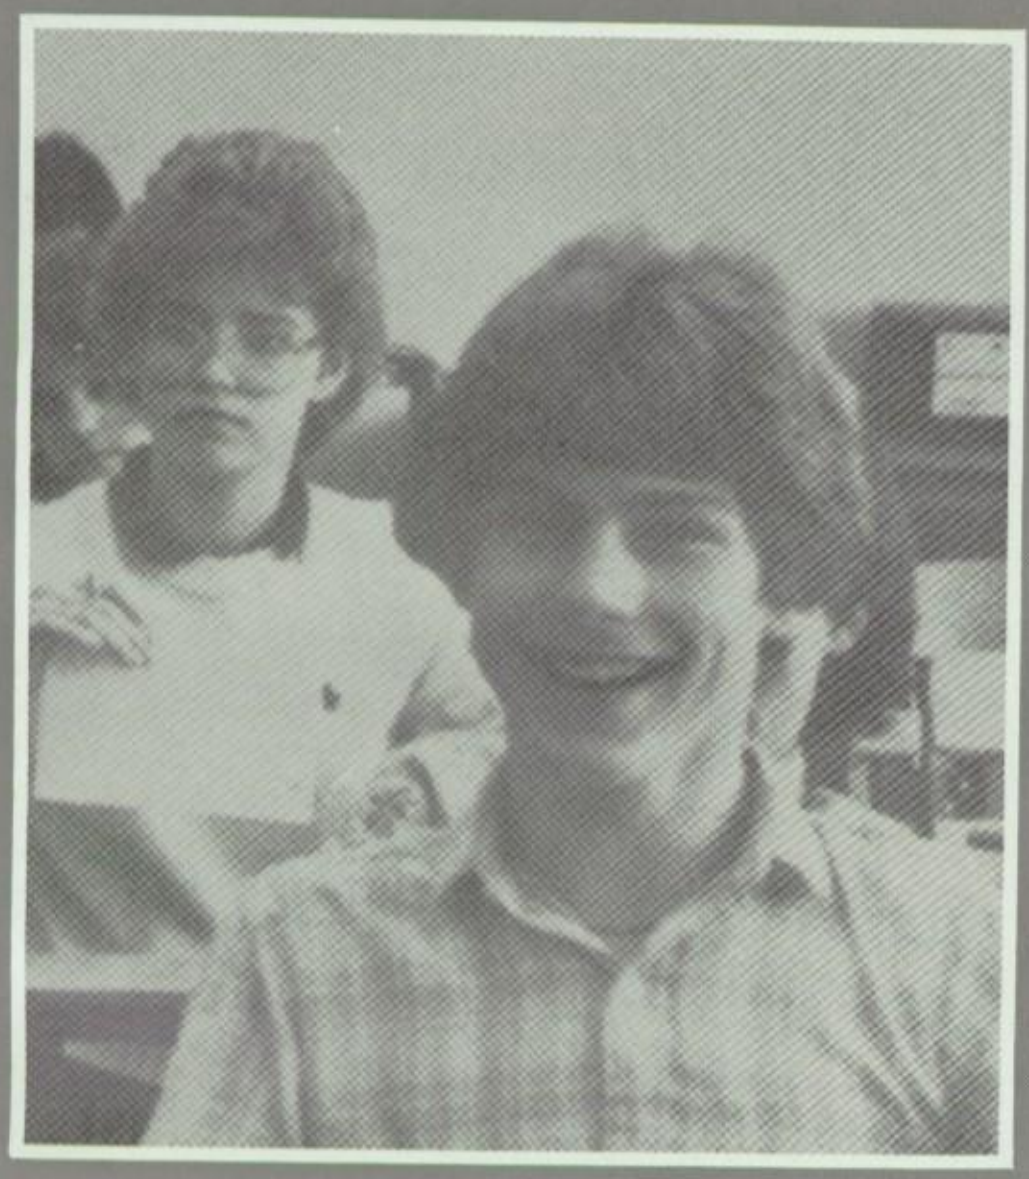












Todd Slagle died on May 17, 1986 in an automobile accident on his way to the prom. He will be sadly missed by the class of 87.

Do not stand by my grave and weep
I am not there. I do not sleep.
I am a thousand winds that blow.
I am a diamond glint on snow.
I am the sunlight on ripened grain.
I am the gentle Autumn rain.
When you awake in the morning hush
I am the swift uplifting rush
Of quiet birds in circling flight.
I am the soft starshine at night.
Do not stand by grave and cry.
I am not there . . . I did not die.

SENIOR DAY = CEDAR POINT

The per annum South Range Senior Trip to Cedar Point started with doubt, the weather was questionable. Never the less the buses loaded and off to the park. Arriving in Sandusky the weather proved favorable and the day geared up. Thunder Canyon, Demon Drop beckoned, the Roller coasters challenged, Ah, the lake, the food, alas not enough time. After many thrills and too much food and fun the gang hearded home, vowing to return.

Renee finally gets her license, at the expense of Jamie Jones, Good going.

JUST DOING THEIR JOB

SPECIAL DEDICATION

Mrs. Gloria Bayoski

This special dedication is to one of the best teachers South Range has had the privilege of knowing, Mrs. Gloria Bayoski. Her classes were looked forward to by Juniors and looked back on by Graduates as the highlight of their studies at South Range. Her sudden, tragic condition developed while vacationing in Europe with her family, left friends and co-workers shocked. She has retired to a life of writing, maybe a few "romances". Gloria Bayoski will be remembered by all.

A SEASON OF CHOICES

The South Range girls volleyball team suffered through a difficult season with one problem after another. Even though the wins were thin with a record of 3 and 14, the girls kept their spirit high. Toward the end of the season things got chaotic because of the fall sport of powderpuff for junior and senior girls. The coach, Mrs. Carroll, gave the girls the option of playing one or the other. This caused tremendous controversy when many of the girls selected to participate in powderpuff. As a result, the varsity team lost many of its players. This situation created a team inexperienced underclassmen to finish the season. The underclassmen had chance to gain valuble skills and experience as a result. The main award presented at the sports banquet was given to Kris Huston for her third year award.

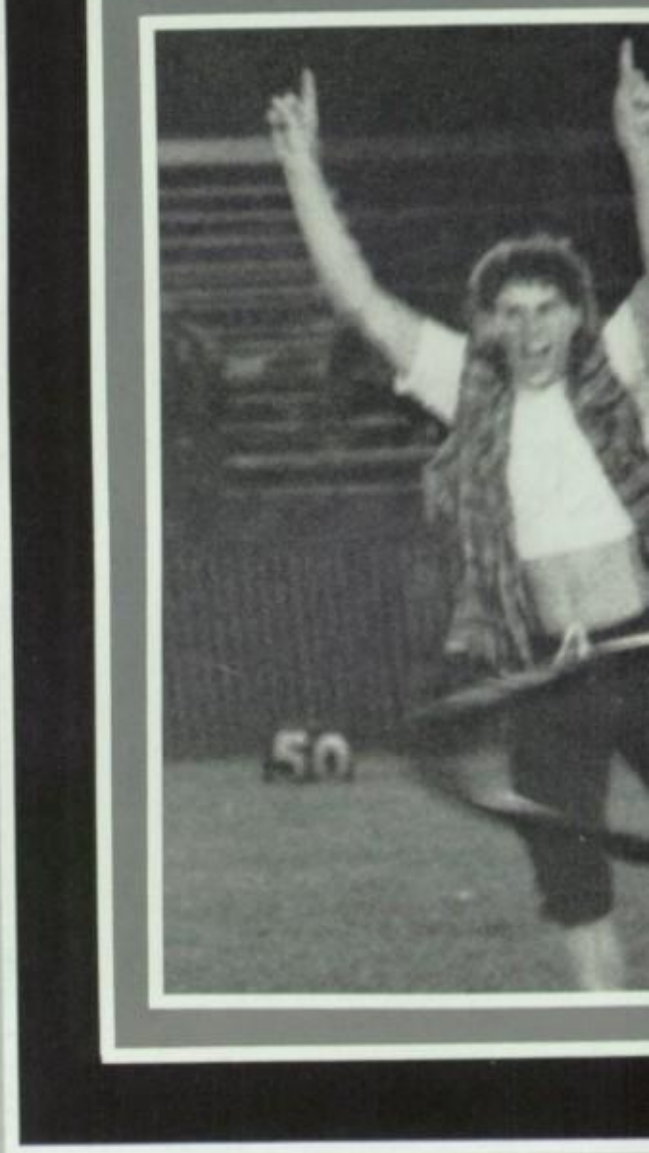
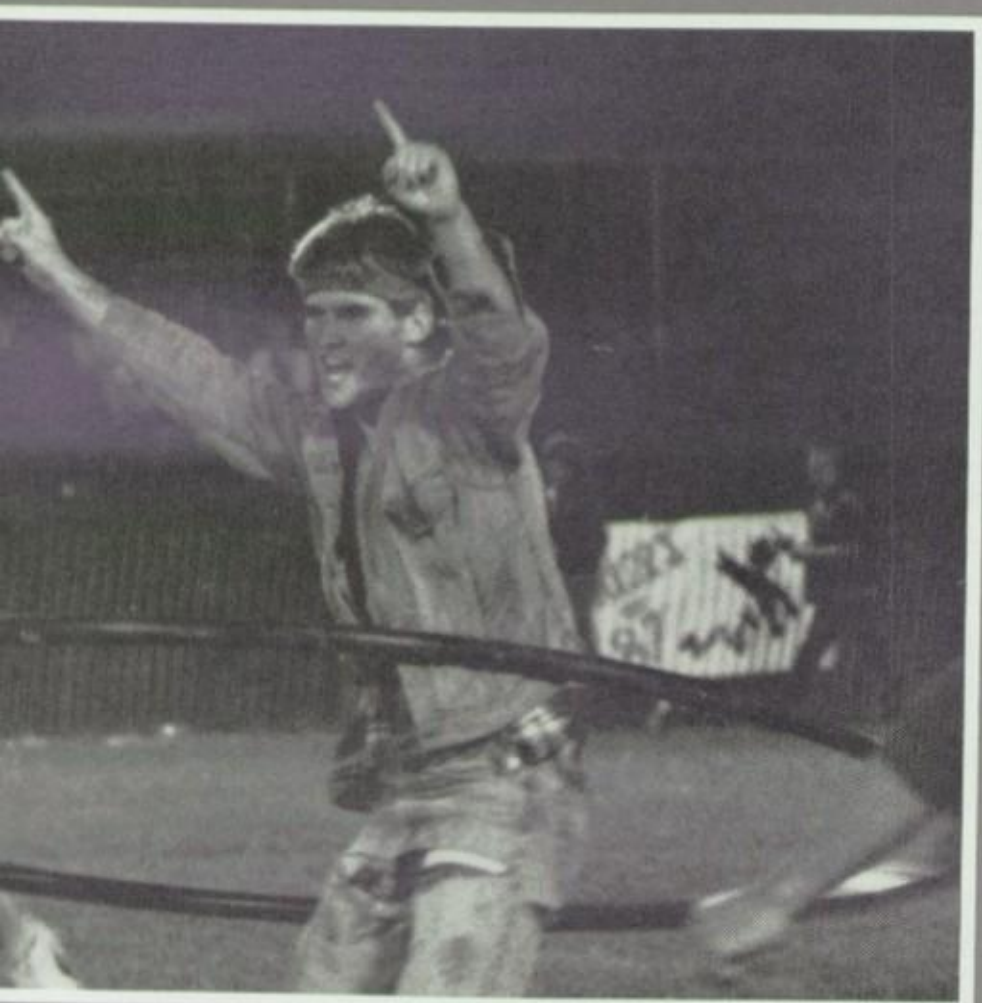
SENIORS REPEAT

Coach Kramer explains the strategy for the 2nd half.



On October 16th, 1985, the South Range Cheerleaders held their annual powderpuff game. The senior girls headed by 3 time winners, coaches Aurthur Gray and Don Kramer, got off to a great start by winning the kickoff and later driving in for their first score of the night altogether, the senior girls scored three touchdowns, made by Shannon Blott, Michelle Gray, and Lisa Brandt. The Junior girls played a good game threatening to score many times with their passing attack lead by Jackie Kenney. For the second year the undefeated class of 86 girls shut out the opposing team. The game ended with the score being 18-0



Seniors pull off a successfull end run for a score.

Thrown for a loss, Jenny wonders if it is worth the pain.

HARVEST MOON HOMECOMING

On October 17th. the festivities started with the annual bonfire. Cheerleaders, football players and rowdy fans gathered for the march down South Ave., bonfire and of course refreshments.

The next night every one came to the big game against the Mineral Ridge Rams. As the ball was kicked off, excitement intensified as the Rams and Raiders battled till half.

Half time began with a parade of old-fashioned cars followed by the presentation of the court. Cheerleader, Lisa Brandt and quarterback, Craig Deoring were crowned Queen and King.

Although we lost the close game, 7-6, everyone showed up with smiles on their faces for the dance the next evening. The multi-purpose room was decorated in fall leaves and pumkins to represent the theme "Harvest Moon". Music for the evening was provided by Stephen King.

FESTIVITIES BEGIN

Bonfire/Parade

The 1985 Homecoming Weekend festivites began with a bonfire and a parade on Thursday, October 17, behind the high school. The celebration began at 7:00 with a parade down to Valu King and back. The parade was followed with a skit performed by the cheerleaders. Afterwards, everybody went over to see the lighting of the bonfire. Coach Owen said a few words, then Craig Deoring lit the bonfire while the crowd cheered him on. Refreshments of doughnuts and cider, sponsored by Student Council were served.

ATHLETES HONORED

For Football, Volleyball, and C.C. members, the night of November 11 was a fine tribute to the end of their seasons. After a fine meal, awards were distibuted by the respective coaches. The major awards were the Robinette, won by Bill Coler, and the Harvey Hartley captured by Matt Butts, and Craig Deoring. An event of note was when the C.C. team boycotted the award ceremonies. This took place in protest of the refusal of the School Board to grant the teachers and coaches a pay increase.

The 1985-86 basketball teams put in a fine effort as our athletic dept. kept striving fo excellence.

Our Varsity team did their part by coming in second place in the ICL. The Varsity als forced Columbiana into a co-championship with Springfield by breaking their 16 gam winning streak at home. The season came to an end in the second tournament game agains Springfield, after an exciting victory against Canfield in first round tournament action.

Pete Stear helped lead the team with his ability. He was not only recognized by us as a fin athlete but also honored by the Salem News as their Athlete-of-the Year. He also made 1s Team ICL and earned additional honors by playing in the All-Star game. Todd Sauerwei was also honored, he was chosen to Second Team ICL.

The main objective for the JV team this year was to gain experience for the Varsity. Thei season was full of unbievable victories. The first Mineral Ridge game was an example. Tro Sauerwein made a dynamic shot to put the game into overtime and Bill Shanabarger won by making two freethrows.

The freshmen never gave up through their tough season. They were always at practice an ready to play. Bill Penick was their top scorer

Left to Right: Christin Blott, Shannon Schick, Tricia Oliver, Jackie Kenney, Julie Norwood, Tari Yocum, Michele Gray, Donna Mitchell.

Donna Mitchell, Co-Captain

The 1985-1986 girls basketball team had another outstanding season. This year they won the titles of ICL Champs, Sectional Champs, and District Runner Ups. Most steals (131), assists (125), and the most points scored in a season (572) are just a few of the many school records the Lady Raiders managed to break. The girls also had there first undefeated season in the history of South Range with a record of 20-0. But their great season came to a sudden halt when they faced Gillmour Academy. The girls thrilled their fans throughout the season. They brought the true emotion out of the sport. This will definitely be a season to remember.

Great Year!

Michele Gray, Co-Captain

No one could put up a shot against the girls defense.

Remember the good times at practice and all those line series.

Mr. and Mrs. Roberts have coached girls basketball at South Range high for six years. They have turned out many successful seasons. For the last two seasons they were voted Coaches of the Year for the Mahoning Valley. Last year they were voted Coaches of the Year for Northeastern Ohio and Salem All Area. Mr. and Mrs. Roberts are very devoted to the game of basketball. With this commitment, they will have many more terrific seasons. Congratulations Mr. and Mrs. Roberts, and good luck in the following years.

RAIDER RESERVES

1986 Raider Reserves, FROM LEFT TO RIGHT: Angie Rose, Tricia Mansell, Stephanie Burbick, Mindy Ewing, Wendy Mazur, Janet Beil, Laurie Molocea.

The girls' junior varsity team had another fine season. They ended up second in the ICL with a record of 13 and 7. Though they are a very young team, there is a great promise of future starters. There is a lot of athletic ability and determination in the eyes of these girls. Mr. and Mrs. Roberts are looking forward to the upcoming years they will be spending with these girls. We know the JV team will follow in the footsteps of their varsity leaders.

All eyes on the ball, Elaine Habeger is a study in concentration.

HERE'S JACKIE . . .

Jackie Kenney led the "Lady Raiders" to another outstanding season, breaking many school records such as most career points, 1233. This is a new record for Jackie and for South Range. She also had most points in a game and in a season, most steals in a game and in a season, and the highest field goal percentage. Jackie held the honors of being athlete of the week on WYTV, District Player of the Year for Northeastern Ohio, and Player of the Year All-Area. She played first team for both ICL and All-State. Jackie participated in the AAU Olympics in the summer of 1985, and she was number one junior in the State of Ohio. Jackie is a very dedicated player to the sport of basketball. Keep up the good work Jackie.

Stage and Concert Bands were also part of the music department, members of these units distinguished themselves individually and as groups in various competitions during the school year. Mr Cubick was also Choral Music director this year. Overall this year the South Range Music Department provided us with many musical memories, Winter and Spring Concerts, Football games, parades as well as other performances in the Community. Thank you Mr Cubick and the entire cast of the music department.

THE SUPPORTING CAST

These three groups of individuals are part of the hidden foundation that our education is built upon. For instance the Janitorial staff keeps the buildings and grounds safe and clean so education can proceed without hinderence. The next part is undertaken by the kitchen crew. Providing that very important nutritional balance that must be met by successful students. The last part, transportation, in our district this is most important. Their safe driving allows each student rider the opportunity to develope through the school system. So lets not forget the hidden contributions made by these people.

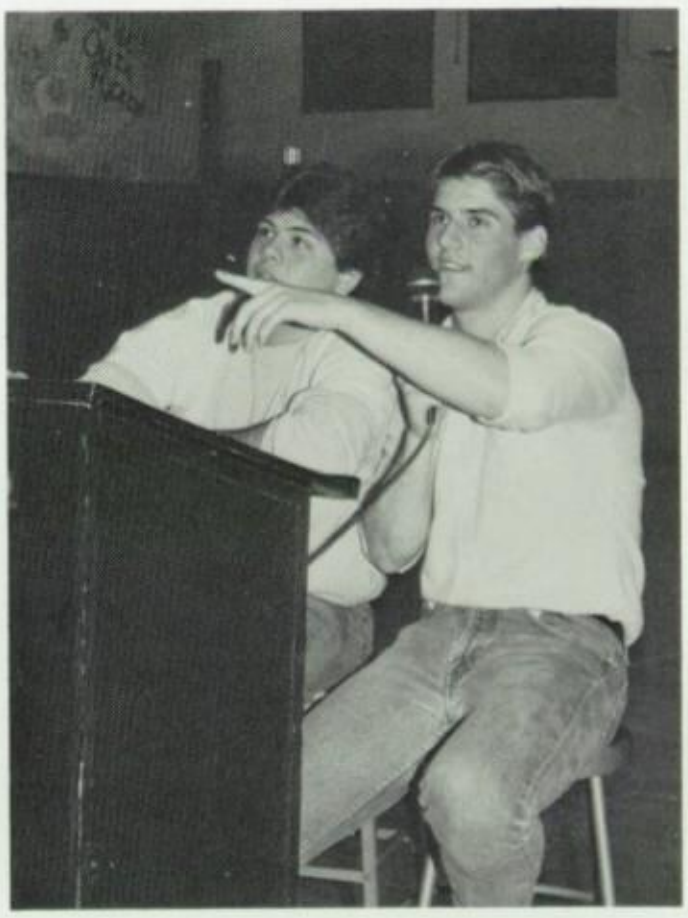
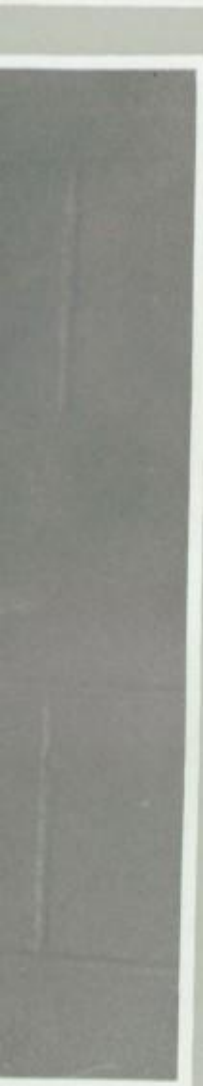
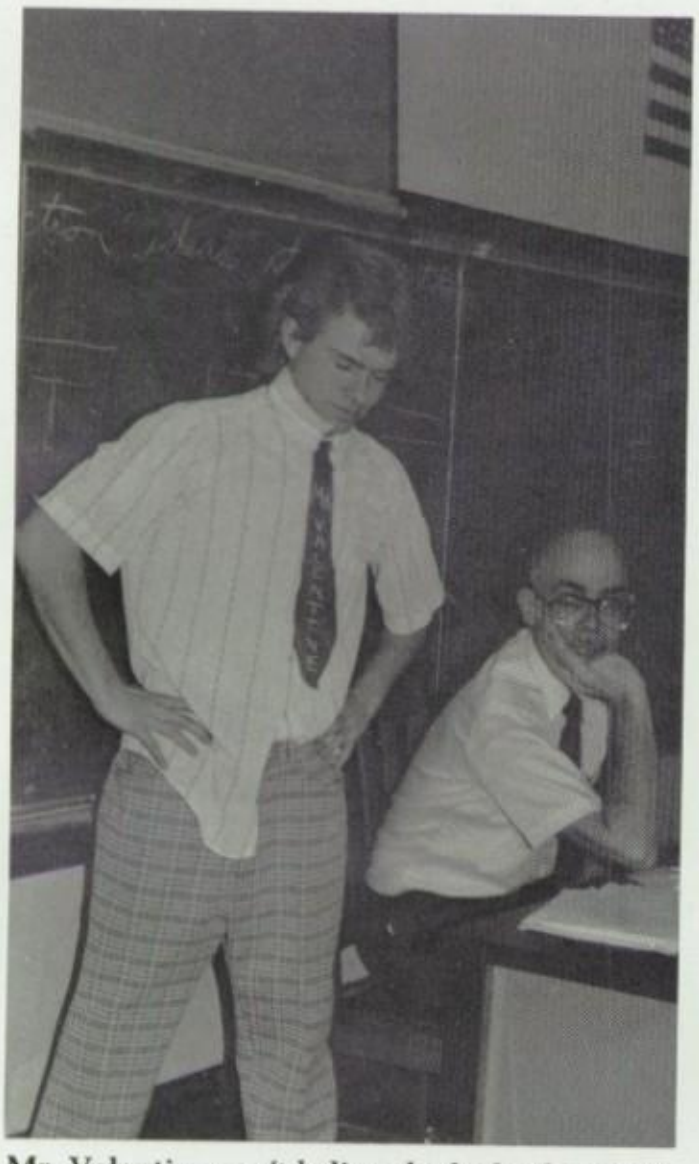
STUDENT BODY AUCTIONED

Service Day Unleashes Another Year Of Madness

Student Council raised over $500.00 in this years annual Service Day auction. The sale did have its tense moments as Rich Basinger stands up to outbid his opponent below. The auctioneers for the sale this year were four outstanding Seniors. The first, Matt Butts, is the president of Student Council. The other three, Bob Myer, Tony Cicchi and Bill Beach livened up the auction tremendously. As in the past, Service Day was a day of insanity and vengeance. The photo at right explains it all. Masters can be vengeful at times. In Tom Augustines case, they were. On the opposite page, Mr. Valentine's face says it all. One can imagine what he's thinking. The madness continued throughout the school that day. Owners would send their servers up on stage to embarrass themselves, sometimes to sing a song or say a phrase or two. Whatever they did, the day was a success. Let's just wait to see what next year has in store for us!

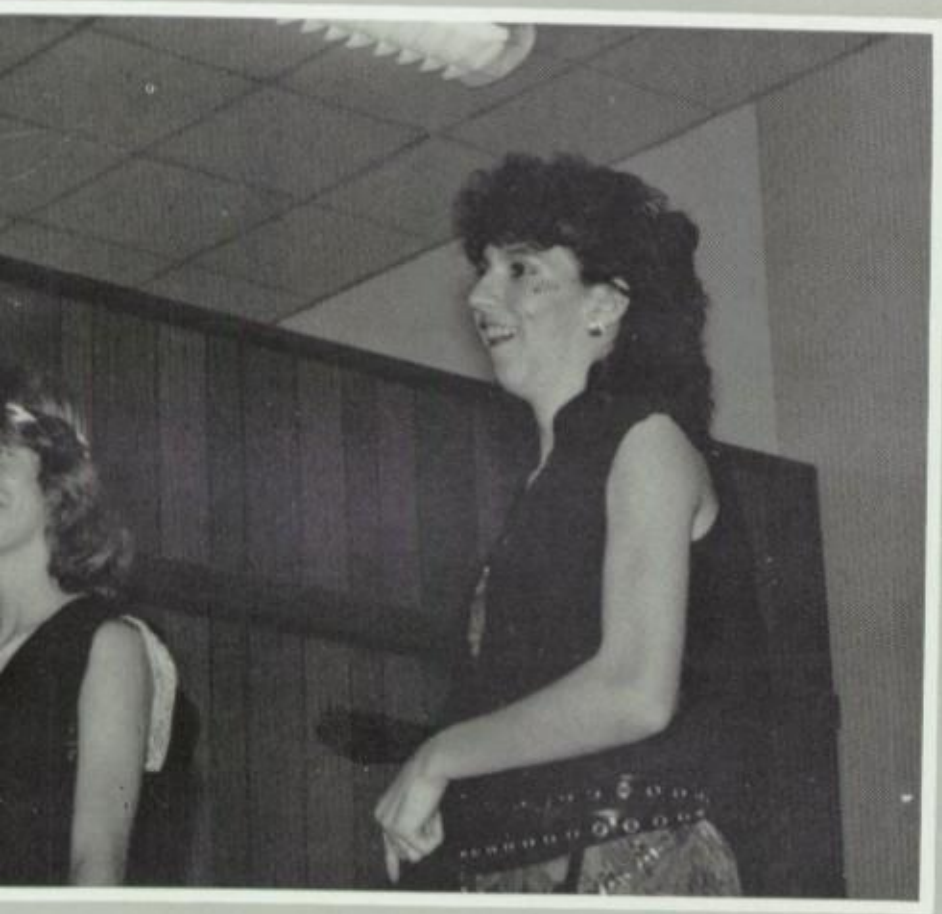




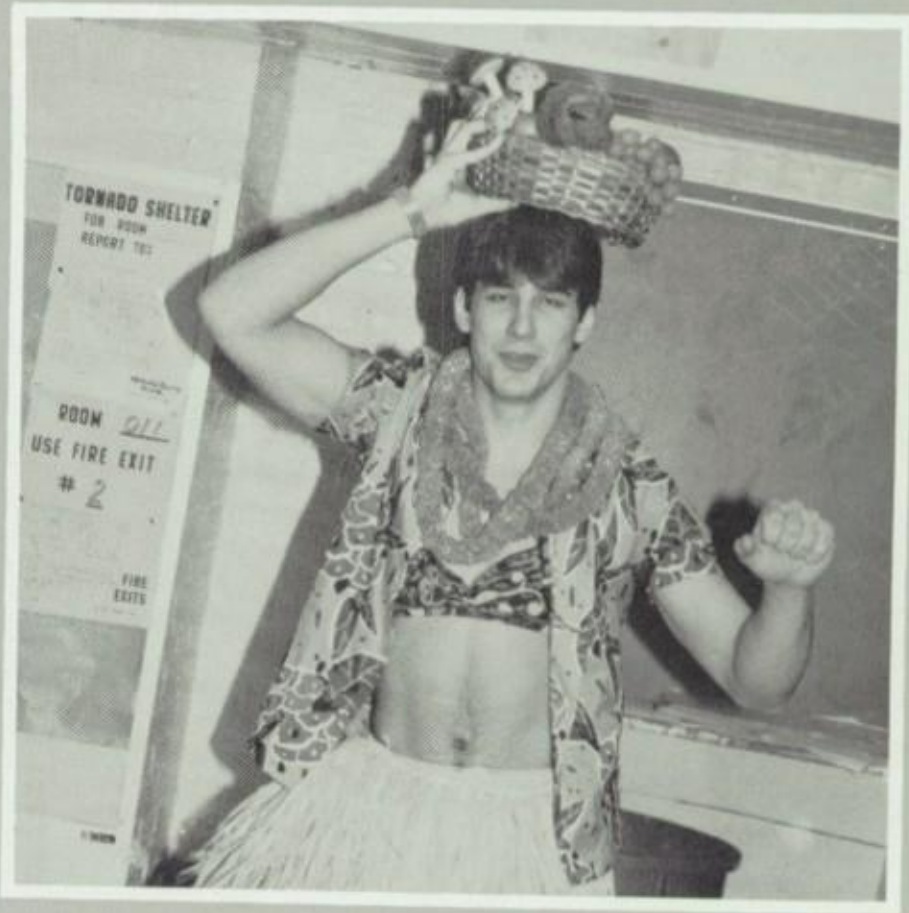


Mr. Valentine can't believe he looks this good.

While farmer Lisa Brandt is ready to go out in the fields, *Miss* Craig Deoring fixes his hair for the boys.



Karen Rice and Mindy Ewing show their vocal talents during lunch for their masters (wonder why underclassmen enjoy humiliating themselves).



Oooh . . . love that hairy navel Matt!

THE DANCIN' DILEMMA

The dances this year were few because of the teachers' dissatisfaction with the school board. They refused to accept after school activities. The yearbook Dance was the first dance of the 1985-1986 school year. The dance was after the Springfield game, in which the Raiders lost 9-16. The dance went on without a hitch.

Bob Myer and Jeff Less are the only ones jamming to their music.

They want *ME* to pay?

REMEMBER WHEN

On April 18 and 19, South Range presented "Remember When", dedicated to Mrs. Gloria Bayowski. The directors were Diane Byers and Cathy Harris. The show started at the Roaring Twenties on up to the Contemporary Period. The finale consisted of everyone singing "We Are the World". All in all this was a fine show worth watching.

To a very dear and very special friend of mine who is always there for me. We have really shared some very special moments together I will always cherish those thoughts. Remember in 1st grade with your 12 course lunch. And you never gave me anything! I hated that, did I ever tell you that! Well I did! Then when you came back in 5th I was really happy to see you again. Can you believe were Seniors! I can't and I'll really miss you after Graduation, but don't worry because I will remember you. Good Luck in the Future and God Bless you Sweetheart

I Love You

Michele

missy,

To a great person and terrific cousin. I know I have not acted as if I always felt that way but you sometimes you just have to grow up and that happens pretty quickly after you graduate. You are the type of person who would do anything for anyone when needed and that means alot to a person. Enjoy the last year of high school it goes very fast, believe me! Well Good Luck always and God Bless!

Love,
